

# Equipment Hire

For your Independence, Safety and Wellbeing

## About Independent Living Centre WA

Our mission is to guide people's choices to access assistive technology and services for independence and wellbeing.

In addition to our Equipment Hire Service we provide:

- Assistive Equipment and Home Modification services
- Technology Services
- Noah's Ark Toy Library
- Grants and Equipment Funding
- Occupational Therapy Driver Assessment
- Training
- Carer Respite and Support

For more than 35 years, the ILC's experienced health professionals have been providing services to people with disability, older people, their carers, service providers, health professionals and educators.

## Short term equipment hire for people of all ages and abilities

ILC's Equipment Hire Service offers short term hire of quality equipment for people of all ages and abilities throughout Western Australia.

**Perhaps you may like to trial a piece of equipment to see if it is suitable prior to purchasing it?**

**Maybe your needs change regularly so buying equipment isn't practical for you?**

**Or you may have undergone surgery and will only require equipment for a short time?**

Whatever the reason, we are here to help.

## A large range of quality equipment

Our broad range of quality equipment for hire includes:

- Manual wheelchairs.
- Standing and walking aids such as standing frames, crutches, walkers and tilt tables.

- Bathroom equipment including bath seats, shower commodes, specialised children's potties, mobile baths and change trolleys.
- Hoists, slings and transfer aids.
- Pressure management items. For example, cushions, mattresses, mattress overlays and heel protectors.
- Transport items such as wheelchair carriers, child car restraints and car transfer equipment.
- Communication devices including smart phones, big button land line phones, emergency call system phones and voice output devices.
- Technology items. For example, keyboards, mice, trackballs, software and switches.
- Vocational items such as forearm supports and document holders.

There are many other types of equipment available for hire. Further information is available on our website or contact us to speak to one of our occupational therapists.

## Be confident you are getting the right equipment

The Equipment Hire Service is staffed by occupational therapists who will support you to find the most suitable equipment option to meet your needs; and to suit the environment in which you will be using it.

For more complex types of equipment, the support of your health professional may be required. We can discuss this with you when you make an enquiry.

## Equipment hire at a reasonable cost

Our rates for equipment hire are reasonable and range from \$15 to \$250 for a four week period.
