

Out and About

Accessible Travel Webinar

Reading list

- [Quadtools](#) - Quadtools reachers and grabbers are designed to give people with paralysis the ability to live more independently. They can be used by any disabled person with or without wrist action who needs assistance reaching or gripping objects.
- [Accessible Tourism Program](#) - The Accessible Tourism program provides businesses with a comprehensive online accessibility assessment and an Accessibility Information guide for visitors.
- [Accessibility Information Guide](#) - An example of the Accessibility Information Guide that is generated as part of the Accessible Tourism program self-assessment.
- [Year of Accessible Tourism 2023-2024](#) - The Year of Accessible Tourism in Queensland was an opportunity to recognise the importance of accessible tourism experiences for all, and to ignite change and create opportunities for Queensland tourism businesses.
- [Accessible travel in Western Australia](#) - Tourism WA's Accessible Tourism section, the information from the self-assessments above is being collated here for now. Using this makes the powers that be understand the appetite for travel we have!
