

Comparing assistive technology (AT) - A tool to assist with self-advocacy and AT decision making.

This tool, in combination with the 'A Guide to self-advocacy: 10 Steps to help you select the right AT' hand out, has been co-designed with Nerine Williams and can be used when making your next AT decision, either independently or in collaboration with supports such as your health professional, [AT Chat AT Mentor](#) or AT Advisor.
